

PCFC is seeking new members to join our Board of Directors

The Patient/Client and Family Council (PCFC) is a local non-profit organization committed to using our personal experiences to improve Mental Health and Addiction services for individuals and their families, through support, education and advocacy. PCFC has offices located both at the Midland Health Hub and at Waypoint Centre for Mental Health.

Participation on the Board of Directors is both exciting and challenging. The board is comprised of a mix of individuals with varying levels of experience in different fields. In order to keep our focus on the individuals we serve, at least 50% of the board members have direct experience in accessing Mental and Addiction services. We meet 5 times per year for an evening meeting, including opportunities to learn and grow.

The Board especially invites applications from Indigenous people, members of racialized and LGBTQ2S+ communities, young adults, people with disabilities, people with experiences of addiction and related programs. The Board could also benefit from expertise in human resources and the legal field.

If you are interested in helping to guide our organization and providing your voice, we invite you to submit a letter of interest (see below). If you have any questions, please call Yvette Brook at 705 549-3181 ext.2180.

We look forward to hearing from you!

Please submit your letter of interest to:
